

**Policy 1140**  
**Trustee Compensation/Inservice**  
**May 1, 2007**  
**Revision Date: January 17, 2012**

The Board will pay an annual indemnity to each Trustee who is a member of the Board.

The annual Trustee Indemnity will be established by Board motion.

The indemnity is paid in twelve installments, with income tax deductions.

Trustees who travel on Board business will be reimbursed for travel and accommodation and receive a per diem as per school district policy for meals and miscellaneous expenditures.

To enable Trustees to carry out their responsibilities it is expected that Trustees will undertake inservice activities. Both individual growth as a Trustee and growth for the Board as a whole are desirable objectives.

**Inservice Guidelines**

1. A Board inservice account will be established annually.
  - 1.1 \$2000 will be allocated to Trustees individually to pursue their own professional development needs over their three year term. If a new trustee should need additional professional development funds the Board will consider.
  - 1.2 Inservice of the Board as a whole subsequent to an election will take place within the first four months of office of the new Board.
  - 1.3 Board related or directed inservice funds will be approved by the Board.
2. No expenditures related to inservice shall be made for the period July 1 to November 30 of the final term of office for the Board.
