School District Parents

At R.L. Angus School we have evidence of graffiti referring to a school shooting May 7,8.

In applying the Safe Schools protocol the threat is not seen as entirely credible, however, one can never be 100% certain. Therefore, we are notifying all school district parents with this information so they can decide if they want their child at school on Monday, May 7 and Tuesday, May 8.

The RCMP have viewed the graffiti and photographed it. They have confirmed that at the present time it is unsubstantiated. A file has been opened and we will keep in touch with the RCMP as time proceeds. The RCMP will have a higher police presence at the schools on these days. All side doors will be secured and all students, staff and visitors will be required to come through the front entrance of our buildings.

Absences will not be counted towards any attendance policy.

If you know or hear any information regarding this evidence please contact the RCMP immediately.

Yours truly,

per 
Diana Samchuck

Superintendent of Schools
