Re: predatory Snapchat account

Dear FNSS Parents/Guardians

Today we have been made aware that some of our students have been targeted by an unknown person using the Snapchat platform. We have reported the known Snapchat accounts associated with the behaviour to the RCMP and to Safer Schools Together.

The following Snapchat accounts are associated with the predatory behaviour:

firstoraceo (fraceo)
daddywarbucks (dwarbucks96)
noone (swhocares59)

Please talk to your child about the use of Snapchat and being diligent with internet safety. If your child has any concerns or additional information, we encourage you to contact the RCMP to report.

Please contact me if you have any questions.

We hope that all our students have a safe weekend.

Sincerely,

Sarah Attrill
Vice Principal
Fort Nelson Secondary School
