May 8, 2018

Dear Parents/Guardians,

We had two quiet and uneventful days in our schools on May 7th and 8th and a very successful Track and Field event. School operations will return to normal on Wednesday, May 9, 2018.

We would like to thank the RCMP for the extra time they have spent at R.L. Angus Elementary School in the last two days. Constable Turple will be speaking to classes there on Friday, May 11th to discuss graffiti mischief and its consequences.

Principals' have been working on plans for each school to improve safety while still maintaining a student friendly and welcoming environment. Plans will be submitted this week and will be reviewed with PACS at upcoming meetings.

A reminder that the parent workshop, "Raising Digitally Responsible Youth" is being presented by Safer Schools Together on Wednesday May 9th at 7 pm in the Fort Nelson Secondary School gym.

If you have any questions or concerns specifically related to your child's school, please contact your school's Principal.

Enjoy our beautiful weather!

Yours truly,

Diana Samchuck
Superintendent
SD #81 Fort Nelson
