Dear Parents/Guardians

Graffiti has been found at Fort Nelson Secondary School referring to a school shooting on Friday December 14th.

RCMP members have attended the school, photographed the graffiti, and opened a file. Safer Schools Together, the company that delivers the mandated provincial violence Threat Assessment to schools, has been contacted. The graffiti has been found to be a low-level form of threat, so although there is no need to have schools under a 'Hold and Secure' or keep students inside, we want to remain vigilant.

Absences at FNSS will not be counted towards any attendance policy on that day.

The RCMP will patrol the area and school. Our other schools' staff have been asked to be extra vigilant.

If you know or hear any information regarding this event, please contact the RCMP immediately. Information can be reported anonymously.

Yours truly,

BOARD OF EDUCATION  
SCHOOL DISTRICT #81 (FORT NELSON)
