

School District #81 in Partnership with
Fort Nelson Family Development Society
would like to present:

READY, SET, LEARN

Ready, Set, Learn is an early learning initiative sponsored by the Ministry of Education. Children and families are provided with the opportunity to try play-based early learning activities as well as songs, story time and play time in the gymnasium. The sessions, held at a number of schools across the district, are designed to provide families with information about how to support their children's early learning and help them build a positive attitude towards school.
