Dear Parents/Caretakers,

We have recently been made aware of concerns for students and staff in one of our schools regarding the presence of COVID-19.

At this time, we have not been notified by the local health authority regarding any student or staff being confirmed to have COVID-19.

If a member of a school community were to test positive for COVID-19, the local health authority would follow up directly with any individuals who may have been exposed.

If a case of COVID-19 is confirmed, the local health authority would direct us for any next steps and any notifications that are necessary.

Please continue to follow the public health guidelines and stay safe.

Yours truly,

Diana Samchuck
Superintendent
SD 81 Fort Nelson
